Hello Jennifer,

Your third article, by Norris, is contained in a book we hold in our library:

Influences of Forest and Rangeland Management on Salmonid Fishes and their Habitats by William R. Meehan, Editor.

It can be pick up at the hold desk at the library.

We have sent out a request for the article contained in the Soil and Crop Science Society of Florida Proceeding from 1988. I will let you know if and when we get that in the library.

Please contact the library should you have any further questions,

Thank you for contacting your library,
